### TECHNICAL DETAILS

- Material : Steel
- Collector : 30 mm X 30 mm
- Pipe Diameter : 20 x 20 mm
- Pipe quantity and diameter of the towel radiators can be configure accordingly to your request.
- All dimentions can be convert to the Electrical mode.

### PACKING DETAILS

- 4 pcs plastic corner protectors
- Polyethele bag
- Single corrugated white box
- 3 pcs fixing kit
- A4 size instruction manual
- A4 size labelling
- Shring wrapping

### Colour Opitons

Same dimensions are available in Chrome Towel Radiators
